Duration of Shows:

This is where PyroWorld clients benefit from our years of experience. PyroWorld Fireworks & Special Effects will custom design your display and electronically fire the show for the best

possible flow. Our Creators will design an outstanding display with a spectacular opening tableau, proper flow of peaks and valleys throughout the body of the show and capped with a stunning “Over the Top” Finale that your audience eagerly awaits.

“It is our goal to give our clients the most exciting show for the longest duration possible without compromising the effectiveness, flow and artistry of the display.”
