

**Dear Dean,** Thanks so much for a fantastic fireworks display here in Goderich. It was great having the two launch sites. The effect of the display over the harbour water was spectacular! I look forward to next year's show and again working with yourself and your wonderful crew.

**Dean,** In the past, our venue has had other pyrotechnicians put on fireworks displays, but without a doubt none are comparable to your displays! When we found you and your company, our search for visual impact and celebratory effect was quite simply over!
